

Argyle Study Guide, Easter part 4, 03-29-2026

Read Matthew 28:1-10

1. Mary Magdalene was changed from the inside out by Jesus. Once we encounter Jesus our life is never the same again. How has your encounter with Jesus changed you?
2. And the question that Jesus says everyone of us must answer is, "Who do you say that I am?" What we celebrate this Easter Sunday helps us to answer the question, who Jesus is. So, who is Jesus?
3. Mary Magdalene is one of the best-known, and one of the least understood names in Scripture. Why is that true?
4. Mary Magdalene was the very first person to see the Risen Lord on that first Easter Sunday morning. How special is that considering her background?
5. Jesus was different. Jesus welcomed both men and women to follow Him. Jesus did more for the value and dignity of women than anyone else in the history of the world.
6. The resurrection of Jesus causes people to stop and kneel before Him. When it comes to that kind of worship, to kneel requires that we first stop. Why is it so difficult for us to slow down and even stop?
