1. In November 1879, Thomas Edison filed a patent for the first light bulb. Because of his invention, just a flip of a switch can get rid the darkness. Can you imagine life without light?

2. What do you think of when you hear the phrase "a light-bulb moment"?

3. Think about a time in your life when you had a light-bulb moment.

4. Maybe when it comes to God, Jesus, or the Bible there have been moments when you could see clearly and everything made sense. But have there been other times that left you wondering what God is doing.

5. Read Luke 18:31-34
