

Argyle LifeGroup Study Guide, Acts, part 26, 01-23 -2022

1. Read Acts 13:1-13

2. Sometimes religion tries to make us clones. But “Cloneliness is not next to _____”.
What does it mean to be a religious clone?

Why could that be damaging?

3. God did not call us to be clones of each other. Instead, God is calling us to have the heart and _____ of Jesus.

God is calling us “To lead real life change through Jesus from the inside out.”

Read Philippians 2:5

What are some practical ways we can do that?

4. The church at Antioch had become the model of a healthy, effective church.

But the church at Antioch was not a perfect church. No church is.

Not even an amazing church like The Church at Argyle.

Why do you think people church hop?

5. We are not called to be religious consumers. But we often approach church like a consumer.

We want to be fed. To be entertained. To be served.

We would never say that. We try to hide it with religious talk.

But we show up on a Sunday morning for what we can get,

and if we think we can get something better someplace else, we’ll just go there.

Do you think being a religious consumer is a problem?

6. How to keep from being consumer-minded in church. Discuss each step.
